Postmen

PERSONAL PROJECTS

→ NewsMonkey website

- Build a NewsMonkey website, in which we can read latest news article from different news source at one place. Category of news i.e. Sports, Business, Entertainment and many more categories has been also implemented so that user can read news as per their choice.
- UI part of this website is build using React, Bootstrap, Javascript, HTML & CSS.
- For this website I have used a free news api from News API website.

ACHIEVEMENT

- Solved More than 350 Question On GFG.
- Solved More than 300 Question on LeetCode.
- 4* at HackerRank
